

## Agenda - Ohio-ACC 26th Annual Meeting

October 15, 2016 | Columbus, OH | The Hilton Columbus at Easton

### Friday, October 14

12:00 noon – 2:00 p.m. – MACRA Round Table – MACRA Readiness: Top 10 Things You Need to Know, How to Get Your Practice & Service Line Ready, Understanding How the New Mandatory Episodes Integrate with MACRA  
Cathleen Biga, RN, MSN and Kelly J. Scheiderer, RHIA, MHA

### Saturday, October 15

7:00-7:55 a.m. **Registration, Exhibits, Posters, and Continental Breakfast**

7:55-8:00 a.m. **Welcoming Remarks**

Laxmi S. Mehta, MD, FACC

8:00-8:50 a.m. **MI and the Older Adult: Changing Demography and Impact on Care**

Joseph S. Alpert, MD, FACC

8:50-9:40 a.m. **Peripheral Arterial Disease in 2016 and Beyond: Walk this Way**

Gary M. Ansel, MD, FACC

9:40-10:25 a.m. **Break, Exhibits, Poster Competition**

10:25-11:10 a.m. **Gene Therapies for CAD and HF: Can We Reverse the Failing Heart?**

Marc Steven Penn, MD, PhD, FACC

11:10 a.m. -12:00 p.m.

**Navigating the New Health Care Horizon: Out with SGR, in with MIPS – What You Need to Know**

Cathleen Biga, RN, MSN and Mary Norine Walsh, MD, FACC

12:00-12:45 p.m. **Lunch Break, Exhibits, Posters**

Networking Round Tables: Look for a table that interests you!

12:45-1:45 p.m. **5th Annual Richard P. Lewis Memorial Lecture**

***Geriatric Cardiology: Octogenarian Pearls***

**Nanette K. Wenger, MD, MACC**

1:45-2:15 p.m. **Fellows-in-Training Oral Competition**

*T-Wave Abnormalities as ECG Signature of Myocardial Edema in NST-Elevation Acute Coronary Syndromes*

Andrea Cardona, MD

*Three Dimensional (3D) Printing and Functional Assessment of Aortic Stenosis Using a Flow Circuit: Feasibility and Reproducibility*

Serge Harbs, MD

2:15-3:00 p.m.

**FFR and CTA: When Evaluating Anatomy Isn't Enough**

Subha Raman, MD, FACC

3:00-3:15 p.m. **Announcement of Poster Winners and Oral Competition Winners**

## CME/CNE Evaluation & Certification Instructions

Your feedback from this American College of Cardiology (ACC) educational course will help us to better target ACC educational initiatives and efforts to support you and your future learning needs. In order to receive your CME/CNE certificate or certificate of attendance, you must complete a brief evaluation survey online. This survey will be sent via email and will include a direct link to the survey. We strongly recommend that evaluations and credit claims be submitted within one MONTH of the course, but **you must complete them within three months of the course.**

If you do not receive an e-mail from ACCF within fourteen days of the conference, please contact the Chapter office at 614-859-2223.

## Disclaimers

Abstracts and articles contained in this course guide have been reprinted with permission.

This information is provided for general medical education purposes only and is not meant to substitute for the independent medical judgment of a clinician relative to diagnostic and treatment options for a specific patient's medical condition.

The American College of Cardiology Foundation (ACCF) does not warrant the completeness, accuracy or usefulness of any opinions, advice, services or other information provided through this activity. In no event will ACCF be liable for any decision made, or action taken, in reliance upon the information provided through this activity.

Accredited status does not imply endorsement by the ANCC or the ACC of any commercial products displayed in conjunction with this activity.

ACCF reserves the right to modify faculty and program without notice.

## **Learner Bill of Rights**

The American College of Cardiology Foundation (ACCF) recognizes that you are a life-long learner who has chosen to engage in continuing medical education to identify or fill a gap in knowledge or skill; and to attain or enhance a desired competency. As part of ACCF's duty to you as a learner, you have the right to expect that your continuing medical education experience with ACCF includes the following.

### **Content that:**

- Promotes improvements or quality in healthcare
- Is current, valid, reliable, accurate and evidence-based
- Addresses the stated objectives or purpose
- Is driven and based on independent survey and analysis of learner needs, not commercial interests
- Has been reviewed for bias and scientific rigor
- Offers balanced presentations that are free of commercial bias
- Is vetted through a process that resolves any conflicts of interest of planners and faculty
- Is evaluated for its effectiveness in meeting the identified educational need

### **A learning environment that:**

- Is based on adult learning principles that support the use of various modalities
- Supports learners' abilities to meet their individual needs
- Respects and attends to any special needs of the learners
- Respects the diversity of groups of learners
- Is free of promotional, commercial and/or sales activities

### **Disclosure of:**

- Relevant financial relationships that planners, teachers and authors have with commercial interests related to the content of the activity
- Commercial support (funding or in-kind resources) of this activity

## Disclosure/Conflict of Interest Statement

As a provider accredited by the Accreditation Council for Continuing Medical Education (ACCME) and the American Nurses Credentialing Center (ANCC), the American College of Cardiology Foundation (ACCF) must ensure balance, independence, objectivity and scientific rigor in all of their directly provided or jointly provided/co-provided educational activities. Planners, presenters, and other contributors, in a position to control the content are required to disclose to the audience all relevant financial relationships he/she and/or his/her spouse or domestic partner may have, occurring within the past 12 months, with any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients. When an unlabeled use of a commercial product or an investigational use not yet approved for any purpose is discussed during an educational activity, the contributor should disclose that the product is not labeled for the use under discussion or that the product is still investigational.

ACCF is committed to providing its learners with high-quality activities and materials that promote improvements and quality in health care and not a specific proprietary business or commercial interest. The intent of this disclosure is not to prevent participation in educational activities by persons with a financial or other relationship, but rather to provide learners with information on which they can make their own determination whether financial interests or relationships may influence the education activity.

ACCF assesses conflicts of interest (COI) with its faculty, planners, managers, staff and other individuals who are in a position to control the content of CME/CNE activities. All relevant potential conflicts of interest that are identified are thoroughly vetted through a process that includes course directors and appropriate peer review by education committee chairs/members, for fair balance, scientific objectivity and validity, and patient care and safety recommendations.

## Statement of Need

While cardiovascular care is rapidly evolving due to new technologies and treatment options, healthcare providers need to be aware of the new health care environment in which they practice as well as knowledge of the past advances and technologies which contributed to the current standards of optimal cardiovascular care. Healthcare providers need periodic educational updates on emerging clinical trials and advances in patient management to provide optimal care. Knowledge and competencies learned from case scenarios applicable to daily practice and changes to practice guidelines, will allow them to apply evidence-based research to their patient management decisions.

## Overall Goal

The overall goal of this activity is to increase learner competence by discovering strategies to anticipate research-driven changes in practice, to enhance professional growth, and to demonstrate efficacy in team based patient care practice as new clinical approaches and technologies change. The Ohio Chapter-ACC Annual Meeting will include education that provides needs-based learning covering a thorough overview of peripheral arterial disease, imaging, gene therapies for CAD & HF, legislative issues, and geriatric cardiology.

## Learner Objectives

Upon completion of this program, participants should be able to:

- Discuss tools and regulations that impact the practice environment and highlight the crucial role that ACC plays in shaping the practice environment.
- Recognize important geriatric syndromes and challenges commonly seen in cardiovascular patients, including atrial fibrillation, heart failure with normal systolic function, isolated systolic hypertension, falls, incontinence, polypharmacy, multimorbidity, delirium and dementia, and learn multidisciplinary management strategies.
- Analyze how Personalized Medicine will change the way cardiovascular practitioners will practice medicine in the future.
- Discuss the appropriate selection and use of cardiac imaging in patients with cardiac disease.
- Review the evidence behind the medical treatment of PAD, such as antiplatelet therapies, ACE I, beta blockers, and statins.

## Target Audience

Adult Cardiologists, Pediatric Cardiologists, Cardiothoracic Surgeons, Cardiology Fellows-in-Training, Nurses, Nurse Practitioners, Clinical Nurse Specialists, Physician Assistants, Pharmacists

## Accreditation

### Physicians

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American College of Cardiology Foundation and Ohio Chapter of the American College of Cardiology. The American College of Cardiology Foundation is accredited by the ACCME to provide continuing medical education for physicians.

The ACCF designates this live educational activity for a maximum of 7.25 *AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should only claim credits commensurate with the extent of their participation in the activity.

### Nurses

American College of Cardiology Foundation is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

The ACCF designates this live educational activity for a maximum of 7.25 continuing education hours. Each attendee should only claim credits commensurate with the extent of their participation in the activity.

While offering credits noted above, the course is not intended to provide extensive training or certification in this field.

## Faculty

### **Joseph S. Alpert, MD, FACC**

Professor of Medicine  
University of Arizona College of Medicine  
Editor in Chief, The American Journal of Medicine  
Tucson, AZ  
*Consultant Fees/Honoraria*  
Amgen, AstraZeneca, Bayer, Boehringer Ingelheim, Daiichi Pharmaceuticals, Daiichi Sankyo, Exeter CME, Johnson & Johnson, MedIQ Communications company, NACCME, CME Company, Omnia/Prova CME Company, Roche Diagnostics, Sanofi-Aventis, Servier Pharmaceuticals, ZS pharma  
*Data Safety Monitoring Board*  
Bayer Pharma, Duke Clinical Research Institute, Genzyme Corporation, Janssen Pharmaceuticals, Inc., Novo Nordisk Inc., TIMI clinical research group  
*Salary* - Elsevier  
*Research/Research Grants* - ZS pharma

### **Gary M. Ansel, MD, FACC**

Associate Medical Director  
OhioHealth Research and Innovation Institute  
Assistant Clinical Professor  
University Of Toledo Medical Center, Toledo, Ohio  
System Medical Chief, Vascular Program  
OhioHealth  
Columbus, OH  
*Consultant Fees/Honoraria*  
480 BioMed, Abbott Vascular Solutions, AngioSlide Ltd., Atheromed, Atrium Medical, Best Doctors, Biocardia, Boston Scientific, Capture Medical, Cardinal Health, Cardiovascular Systems Inc. Daiichi Sankyo, Lake Region Medical, Medtronic, Vatrix Medical, Veryan/Novate, Vladis Wire, WL Gore  
*Other*  
Cook Medical, VIVA Physicians, Inc.  
*Ownership Interest/Partnership/Principal*  
Emboli Tech  
*Research/Research Grants*  
Enable Injections, Surmodics  
*Data Safety Monitoring Board*  
Javelin Medical  
*Speaker's Bureau*  
WL Gore

### **Cathleen Biga, RN, MSN**

President/CEO  
Cardiovascular Management of Illinois  
Woodridge, IL  
*No disclosures*

### **Andrea Cardona, MD**

Cardiology Fellow  
The Ohio State University  
Columbus, OH  
*No disclosures*

### **Serge Harbs, MD**

Cardiology Fellow  
Cleveland Clinic  
Cleveland, OH  
*No disclosures*

### **Marc S. Penn, MD, PhD, FACC**

Professor, Department of Integrative Medical Sciences  
College of Medicine  
Northeast Ohio Medical University  
Director of Research and Director of the Cardiovascular  
Medicine Fellowship  
Summa Cardiovascular Institute  
Akron, OH  
*Research/Research Grants*  
Athersys, Inc.  
*Officer, Director, Trustee, or other Fiduciary Role*  
Black Beret Life Sciences, Juventas Therapeutics  
*Ownership Interest/Partnership/Principal*  
Cleveland Heart Lab  
*Data Safety Monitoring Board* - NIH CHF Network  
*Consultant Fees/Honoraria* - Oakwood Medical Ventures

### **Subha Raman, MD, FACC**

Professor and Medical Director, CMR/CCT  
The Ohio State University  
Columbus, OH  
*Officer, Director, Trustee, or other Fiduciary Role*  
EXCMR  
*Research/Research Grants*  
Siemens

Ohio  
CHAPTER

---

**Mary Norine Walsh, MD, FACC**

Medical Director, Heart Failure and Cardiac  
Transplantation  
St Vincent Heart Center  
President Elect, American College of Cardiology  
Indianapolis, IN  
*Nothing to disclose*

**Nanette K. Wenger, MD, MACC**

Professor of Medicine (Cardiology) Emeritus  
Emory University School of Medicine  
Consultant, Emory Heart and Vascular Center  
Atlanta, GA  
*Research/Research Grants*  
Alnylam Pharmaceuticals, Gilead Sciences, NHLBI, Pfizer,  
Society for Women's Health Research  
*Consultant Fees/Honoraria*  
Amgen, AstraZeneca, Gilead Sciences, Merck

## Planning Committee

### Program Co-Directors

Elisa A. Bradley, MD, FACC  
Cardiologist  
The Ohio State University Wexner Medical Center  
Columbus, OH  
*No disclosures*

Kara J. Quan, MD, FACC  
Section Chief, Electrophysiology  
North Ohio Heart  
Lorain, OH  
*No disclosures*

### Committee Members

Jennifer E. Cummings, MD, FACC  
Cardiac Electrophysiologist  
Mercy Cardiovascular Institute  
Canton, OH  
*Speaker's Bureau*  
Boehringer Ingelheim Pharmaceuticals, Inc., Novartis  
Corporation  
*Consultant Fees/Honoraria*  
Boston Scientific, St. Jude, Medtronic

Melanie T. Gura, RN, MSN, CNS, CCDS, AACC  
Director, Pacemaker & Arrhythmia Services  
Northeast Ohio Cardiovascular Specialists  
Akron, OH  
*No disclosures*

Samer Khouri, MD, FACC  
Cardiologist  
University of Toledo  
Toledo, OH  
*No disclosures*

Christopher P. Learn, MD, FACC  
Cardiologist  
Cincinnati Children's Hospital Medical Center  
Cincinnati, OH  
*Other*  
Actelion

Laxmi S. Mehta, MD, FACC  
President/Governor, Ohio Chapter of the ACC  
Director of the Women's Cardiovascular Health Program  
Associate Program Director for Education, Center for  
Women's Health  
Associate Professor of Medicine  
The Ohio State University Wexner Medical Center  
Columbus, OH  
*No disclosures*

Jodi L. Tinkel, MD, FACC  
Staff Cardiologist  
Community Hospital and Wellness Center  
Bryan, OH  
*No disclosures*

## ACKNOWLEDGMENTS

*Appreciation is expressed to the following company for providing an educational grant:*

Gilead Sciences

*Appreciation is expressed to the following companies for exhibiting at this conference:*

Amarin Pharma  
Ambry Genetics  
Amgen  
AstraZeneca  
Boehringer Ingelheim  
Boston Scientific  
Bristol-Myers Squibb  
ContextMedia: Health  
Gilead Sciences  
GnomeDX  
Janssen Pharmaceuticals  
Kowa Pharmaceuticals  
Lantheus Medical Imaging  
LifeWatch Services, Inc.  
Lilly USA, LLC  
Lundbeck LLC  
Medicure Pharma  
Medtronic  
Novartis  
Regeneron  
St. Jude Medical  
Sanofi  
ZOLL Medical
