

Agenda - Ohio-ACC Spring Summit

April 19, 2017 | Cleveland, OH | The Ritz-Carlton, Cleveland

12:15-12:55 p.m. **Registration & Exhibits**

12:55 p.m. **Welcome and Introductions**

Laxmi S. Mehta, MD, FACC and Sandra Smith, RN, MSN, CNP, AACC

1:00-2:00 p.m. **Left Atrial Appendage Occlusion: Updates for 2017**

Andrea Robinson, MSN, ACNP and Steven J. Yakubov, MD, FACC

2:00-3:00 p.m. **Pulmonary Hypertension: Medical and Pharmacological Insights**

Weston Bush, PharmD, BCPS and Catherine C. Fallick, MD, FACC

3:00-3:30 p.m. **Break**

3:30-4:30 p.m. **Endocarditis: When Is Early Surgery Indicated?**

Brian P. Griffin, MD, FACC, Gosta Pettersson, MD, PhD, and Nabin K. Shrestha, MD, MPH

4:30-5:30 p.m. **Novel Imaging Approaches to Identifying High Risk Patients with Cardiovascular Disease**

Sanjay Rajagopalan, MD, FACC

5:30-6:30 p.m. **Registration and Reception**

6:30 p.m. **Dinner**

7:15-8:45 p.m. **54th Annual Carl J. Wiggers Memorial Lecture**

The Evolution, Current Status and Future Development of Percutaneous Therapies for Valvular Heart Disease

Ted Feldman, MD, FESC, FACC, MSCAI

CME/CNE Evaluation & Certification Instructions

Your feedback from this American College of Cardiology (ACC) educational course will help us to better target ACC educational initiatives and efforts to support you and your future learning needs. In order to receive your CME/CNE certificate or certificate of attendance, you must complete a brief evaluation survey online. This survey will be sent via email and will include a direct link to the survey. We strongly recommend that evaluations and credit claims be submitted within one MONTH of the course, but **you must complete them within three months of the course.**

If you do not receive an e-mail from ACCF within fourteen days of the conference, please contact Melissa Valentine at ACCF: mvalenti@acc.org.

Disclaimers

Abstracts and articles contained in this course guide have been reprinted with permission.

This information is provided for general medical education purposes only and is not meant to substitute for the independent medical judgment of a clinician relative to diagnostic and treatment options for a specific patient's medical condition.

The American College of Cardiology Foundation (ACCF) does not warrant the completeness, accuracy or usefulness of any opinions, advice, services or other information provided through this activity. In no event will ACCF be liable for any decision made, or action taken, in reliance upon the information provided through this activity.

Accredited status does not imply endorsement by the ANCC or the ACC of any commercial products displayed in conjunction with this activity.

ACCF reserves the right to modify faculty and program without notice.

Learner Bill of Rights

The American College of Cardiology Foundation (ACCF) recognizes that you are a life-long learner who has chosen to engage in continuing medical education to identify or fill a gap in knowledge or skill; and to attain or enhance a desired competency. As part of ACCF's duty to you as a learner, you have the right to expect that your continuing medical education experience with ACCF includes the following.

Content that:

- Promotes improvements or quality in healthcare
- Is current, valid, reliable, accurate and evidence-based
- Addresses the stated objectives or purpose
- Is driven and based on independent survey and analysis of learner needs, not commercial interests
- Has been reviewed for bias and scientific rigor
- Offers balanced presentations that are free of commercial bias
- Is vetted through a process that resolves any conflicts of interest of planners and faculty
- Is evaluated for its effectiveness in meeting the identified educational need

A learning environment that:

- Is based on adult learning principles that support the use of various modalities
- Supports learners' abilities to meet their individual needs
- Respects and attends to any special needs of the learners
- Respects the diversity of groups of learners
- Is free of promotional, commercial and/or sales activities

Disclosure of:

- Relevant financial relationships that planners, teachers and authors have with commercial interests related to the content of the activity
- Commercial support (funding or in-kind resources) of this activity

Disclosure/Conflict of Interest Statement

As a provider accredited by the Accreditation Council for Continuing Medical Education (ACCME) and the American Nurses Credentialing Center (ANCC), the American College of Cardiology Foundation (ACCF) must ensure balance, independence, objectivity and scientific rigor in all of their directly provided or jointly provided/co-provided educational activities. Planners, presenters, and other contributors, in a position to control the content are required to disclose to the audience all relevant financial relationships he/she and/or his/her spouse or domestic partner may have, occurring within the past 12 months, with any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients. When an unlabeled use of a commercial product or an investigational use not yet approved for any purpose is discussed during an educational activity, the contributor should disclose that the product is not labeled for the use under discussion or that the product is still investigational.

ACCF is committed to providing its learners with high-quality activities and materials that promote improvements and quality in health care and not a specific proprietary business or commercial interest. The intent of this disclosure is not to prevent participation in educational activities by persons with a financial or other relationship, but rather to provide learners with information on which they can make their own determination whether financial interests or relationships may influence the education activity.

ACCF assesses conflicts of interest (COI) with its faculty, planners, managers, staff and other individuals who are in a position to control the content of CME/CNE activities. All relevant potential conflicts of interest that are identified are thoroughly vetted through a process that includes course directors and appropriate peer review by education committee chairs/members, for fair balance, scientific objectivity and validity, and patient care and safety recommendations.

Statement of Need

While cardiovascular care is rapidly evolving due to new technologies and treatment options, healthcare providers need to be aware of the new health care environment in which they practice as well as knowledge of the past advances and technologies which contributed to the current standards of optimal cardiovascular care. Healthcare providers need periodic educational updates on emerging clinical trials and advances in patient management to provide optimal care. Knowledge and competencies learned from case scenarios applicable to daily practice and changes to practice guidelines, will allow them to apply evidence-based research to their patient management decisions.

Overall Goal

The overall goal of this activity is to increase learner competence by discovering strategies to anticipate research-driven changes in practice, to enhance professional growth, and to demonstrate efficacy in team based patient care practice as new clinical approaches and technologies change.

Learner Objectives

Upon completion of this program, participants should be able to:

- Describe the efficacy of left atrial occlusion devices and appropriately refer atrial fibrillation patients for this treatment option.
- Employ latest advancements in the management of patients with pulmonary arterial hypertension.
- Apply the latest evidence based guidelines to the evaluation, medical management and surgical treatment of patients with endocarditis.
- Review the appropriate selection and use of cardiac imaging in patients with cardiac disease.
- Discuss the foundation of surgical treatments for mitral regurgitation, the outcomes from catheter based mitral repair and replacement, and the indications for transcatheter aortic valve replacement.

Target Audience

Adult Cardiologists, Pediatric Cardiologists, Cardiothoracic Surgeons, Cardiology Fellows-in-Training, Nurses, Nurse Practitioners, Clinical Nurse Specialists, Physician Assistants, Pharmacists

Accreditation

Physicians

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American College of Cardiology Foundation and Ohio Chapter of the American College of Cardiology. The American College of Cardiology Foundation is accredited by the ACCME to provide continuing medical education for physicians.

The ACCF designates this live educational activity for a maximum of 5.5 *AMA PRA Category 1 Credit(s)*[™]. Physicians should only claim credits commensurate with the extent of their participation in the activity.

Nurses

American College of Cardiology Foundation is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

The ACCF designates this live educational activity for a maximum of 5.5 CNE contact hours (1.0 CNE Pharmacotherapeutic contact hours). Each attendee should only claim credits commensurate with the extent of their participation in the activity.

While offering credits noted above, the course is not intended to provide extensive training or certification in this field.

Pharmacy Credit

This program is certified for Continuing Pharmacy Education, via University Hospitals Case Medical Center, through the Ohio State Board of Pharmacy for .5 Continuing Education Units (C.E.U.) for Ohio Licensure only.

Faculty

Weston Bush, PharmD, BCPS

Clinical Pharmacy Specialist, Surgical Intensive Care
University Hospitals Cleveland Medical Center
Cleveland, OH
No disclosures

Catherine Fallick, MD, FACC

Director, Pulmonary Hypertension
MetroHealth Medical Center
Assistant Professor
Case Western Reserve University
Cleveland, OH
No disclosures

Ted Feldman, MD, FESC, FACC, MSCAI

Director, Cardiac Catheterization Laboratory
The Mr. and Mrs. Charles R. Walgreen Chair in
Interventional Cardiology
NorthShore University Health System
Evanston Hospital
Professor of Clinical Medicine
University of Chicago Pritzker School of Medicine
Chicago, IL
Research/Research Grants
Abbott, Boston Scientific, Edwards, WL Gore
Consultant Fees/Honoraria
Abbott, Boston Scientific, Edwards, WL Gore

Brian P. Griffin, MD, FACC

Section Head of Cardiovascular Imaging
Physician Director of Development
Cleveland Clinic
Cleveland, OH
No disclosures

Gosta B. Pettersson, MD, PhD

Professor of Surgery
CWRU School of Medicine
Vice Chairman Cardiovascular Surgery
Cleveland Clinic
Cleveland, OH
No disclosures

Sanjay Rajagopalan, MD, FACC

Division Chief, Cardiovascular Medicine
UH Cleveland Medical Center
Clinical Professor, Medicine
CWRU School of Medicine
Cleveland, OH
No disclosures

Andrea Robinson, MSN, ACNP

Nurse Practitioner, Electrophysiology
OhioHealth Heart and Vascular Physicians
Columbus, OH
No disclosures

Nabin K. Shrestha, MD, MPH

Staff Physician
Department of Infectious Diseases
Cleveland Clinic
Cleveland, OH
No disclosures

Steven J. Yakubov, MD, FACC

System Chief, Structural Heart Disease
OhioHealth
Columbus, OH
Consultant Fees/Honoraria
Abbott Vascular, Boston Scientific
Speaker's Bureau
Medtronic

CV Team Planning Committee & Disclosure Information

Program Co-Director

Sandra L. Smith, RN, MSN, CNP, AACC

Adult Nurse Practitioner
Cardiology/Electrophysiology
Heart & Vascular Institute
Cleveland Clinic

Richard E. Jacobs Center
Avon, OH

No disclosures

Barb Emrick MS RN PHCNS-BC, CCP
Manager, Center for Heart and Vascular Health
Kettering Health Network
Kettering, OH
No disclosures

Melanie T. Gura, RN, MSN, CNS, CCDS, FHRS, FAHA, AACC
Director, Pacemaker & Arrhythmia Services
Northeast Ohio Cardiovascular Specialists
Akron, OH

Consultant Fees/Honoraria
Medtronic

Committee Members

Anna M. Broz, RN, MSN, CNP, AACC

Certified Adult Nurse Practitioner
North Ohio Heart Center
Lorain, OH

Speaker's Bureau
Gilead

Shirlien Metersky, MSN, CNP, CCRN-CMC
Cardiology Nurse Practitioner
OhioHealth Heart & Vascular Physicians
Columbus, OH
No disclosures

Robert Barcelona, PharmD, BCPS
Clinical Pharmacy Specialist, Cardiology
