The 27th Annual Meeting of the Ohio Chapter of the American College of Cardiology

6th Annual Richard P. Lewis Memorial Lecture
presented by Kim A. Eagle, MD, MACC

The Hilton Columbus at Easton • Columbus, Ohio
Saturday, October 14, 2017

Program Co-Directors

Elisa A. Bradley, MD, FACC
Kara J. Quan, MD, FACC

AMERICAN COLLEGE *of* CARDIOLOGY

Ohio CHAPTER

Jointly Provided by
The American College of Cardiology Foundation and the Ohio Chapter of the American College of Cardiology

MESSAGE FROM THE CO-CHAIRS

Dear Ohio-ACC Colleague,

It is our pleasure to invite you to the Ohio-ACC's 27th Annual Meeting. Our annual conference is the ideal setting for the entire cardiovascular team to join together, learn, and network. The program committee has crafted an agenda that reflects joint areas of interest. The topics are dynamic and focused on value-based, patient-centered care. Whether you are a general cardiologist, electrophysiologist, interventionalist, administrator, nurse or fellow, we look forward to welcoming you to Columbus in October.

See you in October!

Elisa and Kara

Elisa A. Bradley, MD, FACC
Kara J. Quan, MD, FACC
Co-Chairs, Annual Meeting
Ohio Chapter of the American College of Cardiology

PROGRAM AGENDA

7:00-7:55 a.m.	**Registration, Exhibits, Posters, and Continental Breakfast**
7:55-8:00 a.m.	**Welcoming Remarks** Laxmi S. Mehta, MD, FACC
8:00-8:45 a.m.	**Issues from the ACC: What Is Impacting CV Providers in 2017** C. Michael Valentine, MD, FACC
8:45-9:30 a.m.	**Strategic Coding in the Era of MACRA: Impact of Risk Scoring and Attribution** Linda Gates-Striby, CCS-P, ACS-CA
9:30-10:15 a.m.	**Break, Exhibits, Poster Competition**
10:15-11:00 a.m.	**Emerging Technologies in the Cath & EP Labs** Mauricio Arruda, MD (EP Lab) Ankur Kalra, MD, FACC (Cath Lab)
11:00-11:45 a.m.	**DAPT & NOACs: EP, Interventional & Pharmacy Aspects** Ernest L. Mazzaferri Jr., MD, FACC – (*Interventional*) Mike Boyd, PharmD, BCPS – (*Pharmacy*) Oussama M. Wazni, MD, MBA, FACC – (*EP*)
11:45 a.m. -12:30 p.m.	**Lunch Break, Exhibits, Posters** Networking Roundtables: Look for a table that interests you!
12:30-1:00 p.m.	**Fellows-in-Training Oral Competition**
1:00-2:00 p.m.	**6th Annual Richard P. Lewis Memorial Lecture** ***Acute Aortic Syndromes: State of the Art*** **Kim A. Eagle, MD, MACC**
2:00-2:15 p.m.	**Announcement of Poster Winners and Oral Competition Winners**

A Brief History of the Richard P. Lewis Memorial Lecture

The Richard P. Lewis Memorial Lecture was established in 2012. Dr. Lewis received a B.S. degree from Yale University in 1957 and his M.D. from the University of Oregon in 1961. He interned and served a residency in internal medicine at the Peter Bent Brigham Hospital in Boston, followed by a fellowship in cardiology at the University of Oregon and a year as a senior resident in medicine at Stanford. Commissioned a captain in the US Army Medical Corps in 1966, Dr. Lewis served a two year tour as associate chief of cardiology at the Madigan Army Hospital in Tacoma, Washington. He then returned to Stanford for a year as an instructor in medicine.

Madigan was just the beginning of his military career. He remained in the US Army reserve and ultimately reached the rank of colonel. Dr. Lewis began his career at the Ohio State University School of Medicine in 1969 as an Assistant Professor of Medicine, progressing to full Professor, with fifteen years as director of the division of cardiology and ultimately as an emeritus professor who never retired from patient care and teaching.

For nearly forty years Dr. Lewis was a devoted fellow of the American College of Cardiology. His leadership roles in the College were legion, from governor for Ohio, to trustee and president of the College in 1996-1997. All the while, his passion was education and patient care. For more than 20 years he was one of the most active members of the Editorial Board of ACCEL, the College's audio journal. Over the years he did literally hundreds of interviews in this country and around the world.

But perhaps the hallmark of Dr. Lewis' contributions to the College was his dedication to innovations in cardiovascular education. He was the founding editor of the American College of Cardiology Foundation's Adult Clinical Cardiology Self-Assessment Program (ACCSAP) and editor of the seventh edition of ACCSAP at the time of his death. He was a member of the College's Lifelong Learning Committee, the CardioSmart Advisory Board, the ACCIS Editorial Board and a variety of other committees. For many years he chaired the SAP Editorial Board and was instrumental in expanding ACC educational products into international markets.

Dr. Lewis has been described as an icon of quality care and clinical excellence throughout his remarkable cardiovascular career. He was viewed as a mentor, a trusted leader and a friend by all who knew him. Although Dr. Lewis was recognized internationally as a distinguished academic cardiologist and educator, he believed, and practiced throughout his career, that for a doctor, there is no mission more sacred than giving care and comfort to every patient.

About the 2017 Richard P. Lewis Memorial Guest Lecturer

Kim A. Eagle, MD, MACC

Dr. Kim Eagle is the Albion Walter Hewlett Professor of Internal Medicine, Professor of Health Management and Policy University of Michigan School of Public Health and Director of the Frankel Cardiovascular Center at the University of Michigan Health System. A graduate of Bozeman Senior High School (Bozeman, MT) he then attended Oregon State University graduating in 1976 followed by Tufts University Medical School graduating in 1979. He completed a residency and chief residency in Internal Medicine at Yale-New Haven Hospital from 1979 to 1983 followed by research and clinical fellowships in cardiology and health services research at Harvard Medical School and The Massachusetts General Hospital (MGH) from 1983 through 1986. From 1986 to 1994, Dr. Eagle served MGH where he was promoted to Associate Director of Clinical Cardiology and Associate Professor of Medicine at Harvard before moving to the University of Michigan.

At "U of M", beginning in 1994, Dr. Eagle developed an outcomes research program focusing on quality, cost-effectiveness, practice guidelines, acute coronary syndromes, treatment of aortic diseases, the fight against childhood obesity (Founder -"Project Healthy Schools"), heart disease in special populations and reuse of pacemakers in third world nations (Founder – "Project My Heart Your Heart"). His outcomes research team has led quality improvement initiatives across the state of Michigan in acute MI, heart failure, and coronary intervention. Dr. Eagle has contributed extramural presentations to more than 110,000 learners in 33 US states and 12 countries. He has published 644 peer-reviewed articles, 70 chapters, and edited 8 books including his latest, The Heart of a Champion, co-written with legendary Michigan football coach, Bo Schembechler.

Continued, next page

Dr. Eagle has served the American College of Cardiology on numerous committees and task forces. He is the editor of the ACC's website, ACC.org. He served its Board of Trustees from 2001-2005. He received ACC's "Master" designation in 2009, and its national Distinguished Teacher Award in 2012. He served on the National Heart, Lung and Blood Institute's External Advisory Committee from 2002-2006, and has been Study Chair of its Genetic Causes of Thoracic Aortic Conditions (GenTAC) since 2006. He has served the local and national American Heart Association and he received the national AHA's Laennec Society's Clinician Educator Award in 2013. He is past President of the Association of University Cardiologists and a Board Member of the World Medical Relief. In 2014, the University of Michigan and many of Dr. Eagle's grateful patients created the Kim A. Eagle Professorship in Cardiovascular Medicine and an endowed research fund bearing his name.

Dr. Eagle, his wife Darlene and son Taylor enjoy Ann Arbor's diverse opportunities for cultural and family fun. They spend time cheering the Michigan athletic teams, and volunteering at St. Mary's Student Parish. Dr. Eagle is Past President of the Ann Arbor Symphony Orchestra. He is an avid fly fisherman and skier and often enjoys these pastimes in Montana, his childhood home.

CALL FOR POSTERS

Visit http://www.ohioacc.org/2017-annual-meeting/ for submission details.

All current Ohio fellows in an Ohio cardiology training program, current Ohio-ACC CV Team Members (RN, NP, CNS, PA, PharmD), and current Ohio internal medicine residents are invited to participate in the Ohio-ACC Poster Session on Saturday, October 14. There are cash prizes! Visit http://www.ohioacc.org/2017-annual-meeting/ for complete details.

GENERAL INFORMATION

STATEMENT OF NEED

The cardiac care team is increasingly asked to develop systems of care, the methods for which are not necessarily part of the traditional medical training, and to perform better, faster, more efficiently and at a lower cost. Identified learning needs for 2017 Ohio CV practitioners include updates in payment systems (i.e. MACRA), emerging cath and EP technologies, dual antiplatelet therapy & novel anticoagulants, and acute aortic syndromes.

OVERALL GOAL

The overall goal of this activity is to increase learner competence by discovering strategies to anticipate research-driven changes in practice, to enhance professional growth, and to demonstrate efficacy in team based patient care practice as new clinical approaches and technologies change. The Ohio Chapter-ACC Annual Meeting will include education that provides needs-based learning covering a thorough overview of health care legislation and regulation, emerging cath and EP technologies, dual antiplatelet therapy & novel anticoagulants, and acute aortic syndromes.

LEARNER OBJECTIVES

Upon completion of this program, participants should be able to:

- Identify tools, resources, and regulations that impact the practice environment.
- Apply innovative technology to improve care of patient/population and management of cardiovascular disease.
- Analyze the clinical implications of polypharmacy and cardiovascular interventions in the patient with cardiovascular disease.
- Interpret cases of acute aortic syndromes and appropriate treatment.

TARGET AUDIENCE

Adult Cardiologists, Pediatric Cardiologists, Cardiothoracic Surgeons, Cardiology Fellows-in-Training, Nurses, Nurse Practitioners, Clinical Nurse Specialists, Physician Assistants, Pharmacists

DISCLOSURE POLICY

As a provider accredited by the Accreditation Council for Continuing Medical Education (ACCME) and the American Nurses Credentialing Center (ANCC), the American College of Cardiology Foundation (ACCF) must ensure balance, independence, objectivity and scientific rigor in all of their directly provided or jointly provided/co-provided educational activities. Planners, presenters, and other contributors, in a position to control the content are required to disclose to the audience all relevant financial relationships he/she and/or his/her spouse or domestic partner may have, occurring within the past 12 months, with any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients. When an unlabeled use of a commercial product or an investigational use not yet approved for any purpose is discussed during an educational activity, the contributor should disclose that the product is not labeled for the use under discussion or that the product is still investigational.

ACCF is committed to providing its learners with high-quality activities and materials that promote improvements and quality in health care and not a specific proprietary business or commercial interest. The intent of this disclosure is not to prevent participation in educational activities by persons with a financial or other relationship, but rather to provide learners with information on which they can make their own determination whether financial interests or relationships may influence the education activity.

ACCF assesses conflicts of interest (COI) with its faculty, planners, managers, staff and other individuals who are in a position to control the content of CME/CNE activities. All relevant potential conflicts of interest that are identified are thoroughly vetted through a process that includes course directors and appropriate peer review by education committee chairs/members, for fair balance, scientific objectivity and validity, and patient care and safety recommendations.

ACCREDITATION

PHYSICIANS

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American College of Cardiology Foundation and Ohio Chapter of the American College of Cardiology. The American College of Cardiology Foundation is accredited by the ACCME to provide continuing medical education for physicians.

The ACCF designates this live educational activity for a maximum of 4.5 *AMA PRA Category 1 Credit(s)*™. Physicians should only claim credits commensurate with the extent of their participation in the activity.

NURSES

American College of Cardiology Foundation is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

The ACCF designates this live educational activity for a maximum of this 4.5 CNE contact hours (0.75 CNE Pharmacotherapeutic contact hours). Each attendee should only claim credits commensurate with the extent of their participation in the activity.

While offering credits noted above, the course is not intended to provide extensive training or certification in this field.

ACKNOWLEDGMENT

At the time of printing, a complete listing of industry supporters was not available. Appropriate acknowledgment will be made upon confirmation of support and at the time of the program.

GENERAL INFORMATION continued

REGISTRATION

You may register online at **www.ohioacc.org**. The registration fee for the meeting includes educational materials, continental breakfast, break, and lunch.

Physician
- Ohio-ACC Member - $90
- Non-Member Physician - $100

Cardiovascular Team Member (RN, APN, PA, Pharmacist) or Cardiovascular Administrator
- Ohio-ACC Member - $60
- Non-Member - $70

Other
- Fellow-in-Training - FREE with pre-registration
- Resident - $10

CANCELLATIONS

Cancellation requests must be received by October 6, 2017. No refunds will be made after that date.

MEETING LOCATION

Hilton Columbus at Easton
3900 Chagrin Drive
Columbus, OH 43219
(614) 414-5000

ACCOMMODATIONS

Call The Hilton Columbus at Easton for room reservations by September 12, and mention the Ohio-ACC meeting. The special discounted rate is $197 + tax. Guest check in is 4:00 P.M. Guest check out is 12 Noon.

QUESTIONS?

Call 1-800-983-OHIO or 614-859-ACC3.
