

The Ohio Chapter of the
American College of Cardiology
presents

The Ohio-ACC Spring Summit 2019

Wednesday, April 17, 2019
The Ritz-Carlton, Cleveland

56th Annual Carl J. Wiggers Memorial Lecture

Lipid Management Update 2019

Christopher P. Cannon, MD, FACC

preceded by the
12th Annual Cardiovascular Update

Jointly Provided by

The American College of Cardiology Foundation and the
Ohio Chapter of the American College of Cardiology

AMERICAN
COLLEGE of
CARDIOLOGY

Ohio
CHAPTER

This activity has been approved for ABIM MOC points.

Ohio-ACC Spring Summit 2019

12th Annual Cardiovascular Update

Wednesday, April 17, 2019
12:15–5:30 p.m.
The Ritz-Carlton, Cleveland
Cleveland, OH

- 12:15–12:55 p.m. **Registration & Exhibits**
- 12:55 p.m. **Welcome and Introductions**
Jennifer Dicken, BSN, RN-BC, AACC and Sanjay Gandhi, MD, MBA, FACC
- 1:00–2:00 p.m. **TAVR: The Latest Information & Team Strategy**
Samir Kapadia, MD, FACC and Nora Brown, MSN, CNS
- 2:00–3:00 p.m. **Keeping your Patients (and their feet) in Circulation:
A Collaborative Approach to Managing and Treating PAD**
Sanjay Gandhi, MD, MBA, FACC, Levon V. Khojayan, MD,
and Nancy O. Ogor, APRN-CNP
- 3:00–3:30 p.m. **Break**
- 3:30–4:30 p.m. **Case Studies in Acute Chest Pain: Diagnosis,
Risk Stratification, and Test Selection**
Kanny Grewal, MD, FACC and
Shirlien Metersky, MSN, CNP, CCRN-CMC
- 4:30–5:30 p.m. **Spontaneous Coronary Artery Dissection**
Leslie Cho, MD, FACC and Deborah Hornacek, MD

Ohio-ACC Spring Summit 2019

56th Annual Carl J. Wiggers Memorial Lecture

Wednesday, April 17, 2019
5:30–8:45 p.m.
The Ritz-Carlton, Cleveland
Cleveland, OH

5:30–6:30 p.m. **Registration and Reception**

6:30 p.m. **Dinner**

7:15–8:45 p.m. **56th Annual Carl J. Wiggers Memorial Lecture**
Lipid Management Update 2019
Christopher P. Cannon, MD, FACC, Guest Lecturer

A Brief History of the Carl J. Wiggers Memorial Lecture

The Carl J. Wiggers Memorial Lecture was established in 1963, the year of Dr. Wiggers' death. He retired in 1953 as Chairman of the Department of Physiology at Western Reserve University. He was President of the American Physiological Society and wrote almost 400 scientific papers and eight textbooks. He founded the journal **Circulation Research** in 1952. His

legacy, however, is that he trained many of the world's cardiovascular leaders. Carl Wiggers personally trained 38 department heads and/or research directors.

About the 2019 Carl J. Wiggers Memorial Guest Lecturer

Christopher P. Cannon, MD, FACC

Dr. Cannon is a Professor of Medicine at Harvard Medical School, and senior physician in the Cardiovascular Division at Brigham and Women's Hospital. He worked for 25 years as an investigator in the TIMI Study Group, then for 5 years with the Harvard Clinical Research Institute (now Baim Institute). While finishing off projects with those groups, he now has joined Cardiovascular Medicine Innovation at the Brigham, to serve as Director of Education.

He earned his MD from Columbia University College of Physicians and Surgeons in New York and did internal medicine residency at Columbia Presbyterian Medical Center, and cardiovascular fellowship at Brigham and Women's Hospital.

Dr. Cannon has published over 1000 original articles, reviews or book chapters in the field of acute coronary syndromes and prevention and has authored or edited 18 books. He has received numerous awards, including leadership awards from the American College of Cardiology, American Heart Association and National Lipid Association.

He has been principal investigator of more than 20 multicenter clinical trials, including TACTICS-TIMI 18, PROVE IT, IMPROVE IT, and RE-DUAL PCI trials. He is currently working on clinical trials, registries and quality improvement projects in the fields of acute coronary syndromes, atrial fibrillation, diabetes, lipids and prevention. In his new role at Brigham Cardiovascular Medicine Innovation, he aims to help develop and implement quality improvement programs, including pragmatic clinical trials, into new care delivery systems.

CV Team Planning Committee

Jennifer Dicken, BSN, RN-BC, AACC- Activity Program Co-Director
Materials Clinical Coordinator
Fairfield Medical Center
Lancaster, OH

Robert Barcelona, PharmD, BCPS
Clinical Pharmacy Specialist,
Cardiology
Department of Pharmacy Services
UH Cleveland Medical Center
Cleveland, OH

Kim V. Cheramie, MSN, RN-BC
Lead Nurse Planner
American College of Cardiology
Washington, DC

Elizabeth Dick, MSN, ACNP-BC, CVNP-BC
Cardiovascular Nurse Practitioner
Marietta Memorial Hospital
Marietta, OH

Sherry L. Donaworth, DNP, ACNP, FNP
Assistant Professor of Clinical Nursing
Acute Care Nurse Practitioner
University of Cincinnati
Cincinnati, OH

Barb Emrick MS RN PHCNS-BC, CCP
Manager, Center for Heart and
Vascular Health
Kettering Health Network
Kettering, OH

Shirlie Metersky, MSN, CNP, CCRN-CMC
Cardiology Nurse Practitioner
OhioHealth Heart & Vascular
Physicians
Columbus, OH

Geoffrey T. Patty RN,BSN
Quality / Chest Pain Coordinator
University Hospitals Geauga Medical
Center
Harrington Heart and Vascular Institute
Chardon, OH

Kathleen A. Rizer, MSOL, BSN, RN, NEA-BC
Director of Nursing – Med Spec Admin
Heart & Vascular / Cancer Care /
Endoscopy
MetroHealth Medical Center
Cleveland, OH

Andrea Robinson, MSN, ACNP
Nurse Practitioner, Electrophysiology
OhioHealth Heart and Vascular
Physicians
Columbus, OH

Sandra L. Smith, RN, MSN, CNP, AACC
Adult Nurse Practitioner
Cardiology/Electrophysiology
Heart & Vascular Institute
Cleveland Clinic
Richard E. Jacobs Center
Cleveland, OH

Carl J. Wiggers Memorial Lecture Planning Committee

Joseph F Pietrolungo, DO, MS, FSVM, FACC - Activity Program Co-Director
Vice Chair Department of Cardiology
President, Summa Health Medical Group
Cardiology: NEOCS
Assistant Professor of Medicine, NEOMED
Rootstown, OH

Haitham Ahmed, MD, MPH, FACC
Medical Director, Cardiac Rehabilitation
Staff Cardiologist, Preventive Cardiology
and Rehabilitation
Assistant Professor of Medicine, Cleveland
Clinic Lerner College of Medicine
Cleveland, OH

Otto Costantini, MD
Director of Clinical Research and Medical
Education
Associate Director Cardiology Fellowship
Program

Nurse Practitioner
OhioHealth Heart & Vascular Physicians
Columbus, OH

Nancy O. Ogor, APRN-CNP

Nurse Practitioner
Heart and Vascular Department
MetroHealth Medical Center
Cleveland, OH

Registration

The registration fee for the meeting includes educational materials. The Wiggers Lecture includes reception and dinner. Please note that parking is not included in the registration fee.

Physician:

- \$95 – The Cardiovascular Update & Wiggers Lecture
- \$60 – The Wiggers Lecture only
- \$60 – The Cardiovascular Update only

CV Team Member (RN, APN, PA, Pharmacist, CV Administrator):

- \$85 – The Cardiovascular Update & Wiggers Lecture
- \$60 – The Wiggers Lecture only
- \$60 – The Cardiovascular Update only

Fellow:

- \$15 – The Cardiovascular Update & Wiggers Lecture
- \$10 – The Wiggers Lecture only
- \$10 – The Cardiovascular Update only

You can register online at www.ohioacc.org.

Cancellations

Cancellation requests must be received by Wednesday, April 10, 2019. No refunds will be made after that date.

Meeting Location

The Ritz-Carlton Cleveland
1515 West Third Street
Cleveland, Ohio 44113
(216) 623-1300

Statement of Need

Cardiovascular care is rapidly evolving with new technologies. Healthcare providers need periodic educational updates on emerging clinical trials and advances in patient management. They need to learn from case scenarios applicable to daily practice and gain knowledge of changes to practice guidelines, so they can apply evidence-based research to their patient management decisions.

Overall Goal

The overall goal of this activity is to increase learner competence by discovering strategies to anticipate research-driven changes in practice, to enhance professional growth, to enhance the cardiovascular team practice and interprofessional collaboration, and to demonstrate efficacy in patient care practice as new clinical approaches and technologies change.

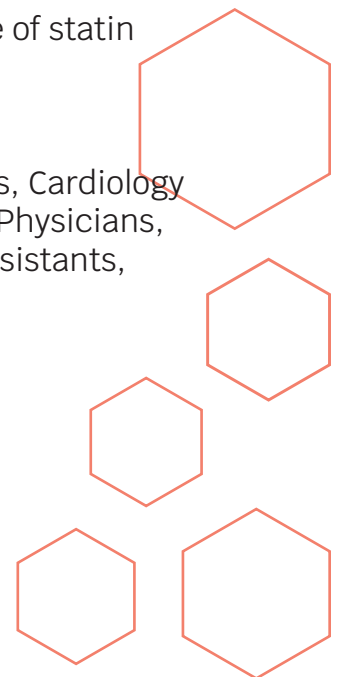

Learner Objectives

Upon completion of this program, participants should be able to:

- Distinguish the utilization of newer available therapies for aortic valve disease, including TAVR, and appropriate referral patients for these treatments.
- Increase competence in applying specific therapies to treating patients with PAD.
- Organize and prioritize a differential diagnosis of acute chest pain based on specific physical historical and exam findings.
- Recognize spontaneous coronary artery dissection and understand its pathophysiology.
- Identify the best, current evidence and guidelines on the use of statin therapy.

Target Audience

Adult Cardiologists, Pediatric Cardiologists, Cardiothoracic Surgeons, Cardiology Fellows-in-Training, Internal Medicine Physicians, Private Practice Physicians, Nurses, Nurse Practitioners, Clinical Nurse Specialists, Physician Assistants, Pharmacists

Disclosure Policy

As a provider accredited by the Accreditation Council for Continuing Medical Education (ACCME) and the American Nurses Credentialing Center (ANCC), the American College of Cardiology Foundation (ACCF) must ensure balance, independence, objectivity and scientific rigor in all of their directly provided or jointly provided/co-provided educational activities. Planners, presenters, and other contributors, in a position to control the content are required to disclose to the audience all relevant financial relationships he/she and/or his/her spouse or domestic partner may have, occurring within the past 12 months, with any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients. When an unlabeled use of a commercial product or an investigational use not yet approved for any purpose is discussed during an educational activity, the contributor should disclose that the product is not labeled for the use under discussion or that the product is still investigational.

ACCF is committed to providing its learners with high-quality activities and materials that promote improvements and quality in health care and not a specific proprietary business or commercial interest. The intent of this disclosure is not to prevent participation in educational activities by persons with a financial or other relationship, but rather to provide learners with information on which they can make their own determination whether financial interests or relationships may influence the education activity.

ACCF assesses conflicts of interest (COI) with its faculty, planners, managers, staff and other individuals who are in a position to control the content of CME/CNE activities. All relevant potential conflicts of interest that are identified are thoroughly vetted through a process that includes course directors and appropriate peer review by education committee chairs/members, for fair balance, scientific objectivity and validity, and patient care and safety recommendations.

Accreditation

Physicians

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American College of Cardiology Foundation and Ohio Chapter of the American College of Cardiology. The American College of Cardiology Foundation is accredited by the ACCME to provide continuing medical education for physicians.

The ACCF designates this live educational activity for a maximum of 5.5 *AMA PRA Category 1 Credit(s)*[™]. Physicians should only claim credits commensurate with the extent of their participation in the activity.

MOC

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 5.5 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Nurses

American College of Cardiology Foundation is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation (Provider No. P0019).

The ACCF designates this live educational activity for a maximum of 5.50 continuing nursing education contact hours (1.5 pharmacotherapeutic nursing contact hours). Each attendee should only claim credits commensurate with the extent of their participation in the activity.

While offering credits noted above, the course is not intended to provide extensive training or certification in this field.

Acknowledgment

At the time of printing, a complete listing of industry supporters was not available. Appropriate acknowledgment will be made upon confirmation of support and at the time of the program.
