The American College of Cardiology Foundation and the
Ohio Chapter of the American College of Cardiology*

This activity has been approved for ABIM MOC points.

MESSAGE FROM THE CO-CHAIRS

Ohio
CHAPTER

Dear Ohio-ACC Colleague,

It is our pleasure to invite you to the Ohio-ACC's 29th Annual Meeting. Our annual conference is the ideal setting for the entire cardiovascular team to join together, learn, and network. The program committee has developed an agenda that bridges the latest science with practical patient care. The topics are dynamic and focused on value-based, patient-centered care. Whether you are a general cardiologist, interventionalist, electrophysiologist, administrator, nurse, advanced practice provider, or fellow, we look forward to welcoming you to Columbus in October.

See you in October!

Dean and Bill

Konstantinos Dean Boudoulas, MD, FACC
William Colyer, Jr., MD, FACC
Co-Chairs, Annual Meeting
Ohio Chapter of the American College of Cardiology

Saturday, October 12, 2019

- 7:00-7:55 a.m. **Registration, Exhibits, Posters, and Continental Breakfast**
- 7:55-8:00 a.m. **Welcoming Remarks**
Sanjay Gandhi, MD, MBA, FACC
- 8:00-9:00 a.m. **8th Annual Richard P. Lewis Memorial Lecture**
Aortic Stenosis: 50 Years of Discovery
Robert O. Bonow, MD, MACC
- 9:00-9:45 a.m. **Issues from the ACC: What Is Impacting CV Clinicians in 2019**
Edward T.A. Fry, MD, FACC
- 9:45-10:30 a.m. **Break, Exhibits, Poster Competition**
- 10:30 a.m.-12:00 noon **Clinician Well-Being**
- 10:30-11:30 a.m.
A Townhall Discussion about the State of Well-Being in Cardiology
Laxmi Mehta, MD, FACC – Moderator
Panelists: Timothy W. Attebery, DSc, MBA, FACHE, CEO of ACC, Edward T.A. Fry, MD, FACC & Jennifer Dicken, BSN, RN-BC, AACCC
- 11:30 a.m.-12:00 noon
Getting Grounded & Remembering What Brought Us to Medicine
Refugee, Dishwasher, Cardiologist: My Story of Pursuing the American Dream and Recreating It for Everyone
Heval Kelli, MD
- 12:00-12:45 p.m. **Lunch Break**
Networking Roundtables: Look for a Table That Interests You!
- 12:45-1:15 p.m. **Fellow-in-Training Oral Competition**
- 1:15-2:00 p.m. **Update on Late-Breaking Clinical Trials**
DAPT Post-PCI – Michael D. Faulx, MD, FACC
Apple Watch Study – Ashish Aneja, MD, FACC
Moderator: Steven J. Yakubov, MD, FACC
- 2:00-2:15 p.m. **Announcement of Poster Winners and Oral Competition Winners**

A Brief History of the Richard P. Lewis Memorial Lecture

The Richard P. Lewis Memorial Lecture was established in 2012. Dr. Lewis received a B.S. degree from Yale University in 1957 and his M.D. from the University of Oregon in 1961. He interned and served a residency in internal medicine at the Peter Bent Brigham Hospital in Boston, followed by a fellowship in cardiology at the University of Oregon and a year as a senior resident in medicine at Stanford. Commissioned a captain in the US Army Medical Corps in 1966, Dr. Lewis served a two year tour as associate chief of cardiology at the Madigan Army Hospital in Tacoma, Washington. He then returned to Stanford for a year as an instructor in medicine.

Madigan was just the beginning of his military career. He remained in the US Army reserve and ultimately reached the rank of colonel. Dr. Lewis began his career at the Ohio State University School of Medicine in 1969 as an Assistant Professor of Medicine, progressing to full Professor, with fifteen years as director of the division of cardiology and ultimately as an emeritus professor who never retired from patient care and teaching.

For nearly forty years Dr. Lewis was a devoted fellow of the American College of Cardiology. His leadership roles in the College were legion, from governor for Ohio, to trustee and president of the College in 1996-1997. All the while, his passion was education and patient care. For more than 20 years he was one of the most active members of the Editorial Board of ACCEL, the College's audio journal. Over the years he did literally hundreds of interviews in this country and around the world.

But perhaps the hallmark of Dr. Lewis' contributions to the College was his dedication to innovations in cardiovascular education. He was the founding editor of the American College of Cardiology Foundation's Adult Clinical Cardiology Self-Assessment Program (ACCSAP) and editor of the seventh edition of ACCSAP at the time of his death. He was a member of the College's Lifelong Learning Committee, the CardioSmart Advisory Board, the ACCIS Editorial Board and a variety of other committees. For many years he chaired the SAP Editorial Board and was instrumental in expanding ACC educational products into international markets.

Dr. Lewis has been described as an icon of quality care and clinical excellence throughout his remarkable cardiovascular career. He was viewed as a mentor, a trusted leader and a friend by all who knew him. Although Dr. Lewis was recognized internationally as a distinguished academic cardiologist and educator, he believed, and practiced throughout his career, that for a doctor, there is no mission more sacred than giving care and comfort to every patient.

About the 2019 Richard P. Lewis Memorial Guest Lecturer

Robert O. Bonow, MD, MACC

Robert O. Bonow, MD, MS is the Goldberg Distinguished Professor of Cardiology at the Northwestern University Feinberg School of Medicine, where he is vice chairman of the Department of Medicine. He received his MD degree from the University of Pennsylvania School of Medicine. He served as Senior Investigator in the Cardiology Branch of the National Heart, Lung, and Blood Institute from 1976 to 1992, and was Chief of the Division of Cardiology at Northwestern University from 1992 to 2011. He has authored or co-authored over 580 papers in the medical literature and 120 book chapters. He serves as Editor-in-Chief of JAMA Cardiology and is one of the four editors of Braunwald's Heart Disease: A Textbook of Cardiovascular Medicine.

Dr. Bonow is a past president of the American Heart Association, a Master of the American College of Cardiology and a Master of the American College of Physicians. He currently serves on the Board of Scientific Counselors of the NHLBI and has previously served on the Board of Trustees of the American College of Cardiology, the Board of Directors of the American Heart Association, the Subspecialty Board on Cardiovascular Disease of the American Board of Internal Medicine, and the Clinical Research Roundtable of the Institute of Medicine.

Among his honors are the NIH Director's Award, the U.S. Public Health Service Commendation Medal and Outstanding Service Medal, and elected membership in the American Society for Clinical Investigation and the Association of American Physicians. He is the recipient of the Distinguished Leadership Award, Distinguished Achievement Award, Gold Heart Award, and James B. Herrick Award of the American Heart Association; the Distinguished Fellowship Award, Distinguished Service Award, and Distinguished Scientist Award of the American College of Cardiology; the Denolin Award of the European Society of Cardiology; and the John Phillips Memorial Award of the American College of Physicians. An endowed chair was established in his name at Northwestern University in 2012.

CALL FOR POSTERS

Ohio
CHAPTER

CALL FOR POSTERS!

Annual Poster Competition with cash prizes.

Visit <https://www.ohioacc.org/2019-annual-meeting/> for submission details.

All current Ohio fellows in an Ohio cardiology training program, current Ohio-ACC CV Team Members (RN, NP, CNS, PA, PharmD), and current Ohio internal medicine residents are invited to participate in the Ohio-ACC Poster Session on Saturday, October 12. There are cash prizes!

Visit <https://www.ohioacc.org/2019-annual-meeting/> for complete details.

STATEMENT OF NEED

Cardiovascular disease remains the number one cause of death of men and women in the US and is a major cause of disability. In order to reduce these statistics, clinicians must gain the knowledge, skill, and resources to integrate the latest research and clinical guidelines in the context of their own practice. This conference will close the knowledge gaps between national guideline goals, practice, and research.

OVERALL GOAL

The overall goal of this activity is to increase learner competence by discovering strategies to anticipate research-driven changes in practice, to enhance professional growth, and to demonstrate efficacy in patient care practice as new clinical approaches and technologies change. The Ohio Chapter-ACC Annual Meeting will include education that provides needs-based learning covering a thorough overview of aortic stenosis, health care legislation and regulation, clinician well-being, diversity and inclusion strategies, DAPT post-PCI, and wearable device technology.

LEARNER OBJECTIVES

Upon completion of this program, participants should be able to:

- Identify current available therapies for aortic valve disease, including TAVR, for appropriate referral.
- Implement tools, resources, and regulations that impact the cardiovascular business practice environment necessary to remain financially successful in an era of payment reform.
- Apply principles of effective team based care to improve workforce wellness and patient outcomes.
- Mentor the inclusion of underserved populations in the practice of cardiovascular medicine.
- Discuss the most recent trials for DAPT Post-PCI and wearable technology.

TARGET AUDIENCE

Adult Cardiologists, Pediatric Cardiologists, Cardiothoracic Surgeons, Cardiology Fellows-in-Training, Nurses, Nurse Practitioners, Clinical Nurse Specialists, Physician Assistants, Pharmacists

DISCLOSURE POLICY

As a provider accredited by the Accreditation Council for Continuing Medical Education (ACCME) and the American Nurses Credentialing Center (ANCC), the American College of Cardiology Foundation (ACCF) must ensure balance, independence, objectivity and scientific rigor in all of their directly provided or jointly provided/co-provided educational activities. Planners, presenters, and other contributors, in a position to control the content are required to disclose to the audience all relevant financial relationships he/she and/or his/her spouse or domestic partner may have, occurring within the past 12 months, with any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients. When an unlabeled use of a commercial product or an investigational use not yet approved for any purpose is discussed during an educational activity, the contributor should disclose that the product is not labeled for the use under discussion or that the product is still investigational.

ACCF is committed to providing its learners with high-quality activities and materials that promote improvements and quality in health care and not a specific proprietary business or commercial interest. The intent of this disclosure is not to prevent participation in educational activities by persons with a financial or other relationship, but rather to provide learners with information on which they can make their own determination whether financial interests or relationships may influence the education activity.

ACCF assesses conflicts of interest (COI) with its faculty, planners, managers, staff and other individuals who are in a position to control the content of CME/CNE activities. All relevant potential conflicts of interest that are identified are thoroughly vetted through a process that includes course directors and appropriate peer review by education committee chairs/members, for fair balance, scientific objectivity and validity, and patient care and safety recommendations.

ACCREDITATION

PHYSICIANS

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American College of Cardiology Foundation and Ohio Chapter of the American College of Cardiology. The American College of Cardiology Foundation is accredited by the ACCME to provide continuing medical education for physicians.

The ACCF designates this live educational activity for a maximum of 4.5 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim credits commensurate with the extent of their participation in the activity.

MOC

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 4.5 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

NURSES

American College of Cardiology Foundation is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

The ACCF designates this live educational activity for a maximum of 4.5 continuing nursing education contact hours. Each attendee should only claim credits commensurate with the extent of their participation in the activity.

While offering credits noted above, the course is not intended to provide extensive training or certification in this field.

ACKNOWLEDGMENT

At the time of printing, a complete listing of industry supporters was not available. Appropriate acknowledgment will be made upon confirmation of support and at the time of the program.

REGISTRATION

You may register online at www.ohioacc.org. The registration fee for the meeting includes educational materials, continental breakfast, break, and lunch.

Physician

Ohio-ACC Member - \$95

Non-Member Physician - \$105

Cardiovascular Team Member (RN, APN, PA, Pharmacist, etc.) or Cardiovascular Administrator

Ohio-ACC Member - \$65

Non-Member - \$75

Other

Fellow-in-Training - FREE with pre-registration

Resident, Medical Student - \$15

CANCELLATIONS

Cancellation requests must be received by October 5, 2019. No refunds will be made after that date.

MEETING LOCATION

Hilton Columbus at Easton

3900 Chagrin Drive

Columbus, OH 43219

(614) 414-5000

ACCOMMODATIONS

Call The Hilton Columbus at Easton for room reservations by September 10, and mention the Ohio-ACC meeting (group code is OCH). The special discounted rate is \$201 + tax. Guest check in is 4:00 P.M. Guest check out is 12 Noon.

QUESTIONS?

Call 614-859-ACC3 or 404-303-9950.
