

Ohio-ACC Board of Trustees Member

The Board of Trustees is the chief governing and policy-making body of the Chapter. Each year, members of the Chapter are solicited to submit recommendations for candidates to serve as Trustee of the Chapter when a position becomes available. The Nominating Committee submits a slate of nominations for approval by the Board of Trustees. The Board of Trustees-approved slate is voted upon by the membership. Trustees serve two-year terms with the option to serve a second two-year term.

Qualifications:

- Demonstrated leadership qualities and willingness to work as a team member.
