

Activity Overview

This meeting is designed to enhance knowledge and increase competency in the treatment of cardiovascular disease.

Target Audience

This activity is designed for an audience of physicians, nurses and pharmacists.

Learning Objectives

Upon completion of the educational activity, participants should be able to:

- Compare and contrast the most current treatment strategies for atrial fibrillation.
- Implement tools, resources, and regulations that impact the cardiovascular business practice environment necessary to remain financially successful in an era of payment reform.
- Describe the impact on patient care of the ACC/AHA Guidelines on Revascularization.
- Examine appropriate lipid lowering strategies for the cardiovascular patient.

Criteria for Success

There is no fee to participate in this activity. Statements of credit will be awarded based on the participant's attendance. A statement of credit will be available upon completion of an online evaluation/claim credit form available at:

akhcme.com/OHACC

Please claim your credit by November 15, 2022.

If you have questions about this CE activity, please contact AKH Inc at JGoldman@akhcme.com.

CE credit provided by AKH Inc., Advancing Knowledge in Healthcare.

In support of improving patient care, this activity has been planned and implemented by AKH Inc., Advancing Knowledge in Healthcare and the Ohio Chapter of the American College of Cardiology (OH ACC). AKH Inc., Advancing Knowledge in Healthcare is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians

AKH Inc., Advancing Knowledge in Healthcare designates this live activity for a maximum of 3.25 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 3.25 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Nurses

Credit being awarded: 3.25 ANCC contact hours

Pharmacists

AKH Inc., Advancing Knowledge in Healthcare designates this continuing education activity for 3.25 contact hours.

Commercial Support

There is no commercial support for this activity.
